

Cllr Sally Gathern

Personal Profile

I'm Sally Gathern. I live in the Singleton West ward which I represent on the Parish Council.

I'm a full-time mother, as well as having several voluntary roles. I'm a governor at Great Chart School, Akela at the local Cub pack and on the leadership team at St Mary's in Singleton where I am also a children's group leader. Through the church I assist with projects such as MakeLunch, children's activity mornings, the Light Party and more. I'm especially interested in education and the environment.
