

**Kent  
Police**

Thankfully the anti-social behaviour in the Great Chart and Singleton North area has remained at a low level. We have been dealing with any issues as they are reported to us and will continue to robustly patrol the area.

With regards to nuisance bikes and motor vehicles, Kent Police has recently issued 12 seizure warnings and successfully seized one motor vehicle, all in the Ashford area. Ani and I have also put up posters in a number of locations around Singleton and Great Chart. We are determined to get our message out there that nuisance bikes and vehicles will not be tolerated.

Myself, Nikki, Joanna and Ani continue to work closely together and I am in regular contact with Ani. This was highlighted to me the other week when Ian asked if I should start paying rent as I am in the parish council office so regularly! I am pleased that my presence is being acknowledged!! 😊

Take care everyone.
