

Kent Police

Whilst I was out and about in Great Chart last weekend, I ran into Ian McClintock and we were discussing how the amount of incidents involving anti-social behaviour have remained at a low level the Great Chart and Singleton North. The PCSOs have been dealing with any issues as they are reported to us and will continue to robustly patrol the area either on foot or in vehicles.

Now that the warmer weather is here, you will probably be spending more time outside. Burglars need only the slightest temptation to attempt to steal. Even if you're out in your own garden, some areas of your home can still be vulnerable so here are a few tips on home security:

Do...

- Keep the front door and any windows or doors you can't see locked
- Tidy away garden tools and equipment at the end of the day - these could be used by a burglar
- Cut the grass regularly - this keeps the garden looking maintained and the home lived in
- Take pictures of high-value items such as bicycles or garden furniture.

Don't...

- Keep wallets, jewellery or keys in sight of windows and doors

Myself, Nikki, Joanna and Ani will continue to work closely together in order to deliver a safe and happy place for you all to live.

Take care everyone.

Catherine
