GREAT CHART WITH SINGLETON PARISH COUNCIL STATEMENT ON INTERNAL CONTROL FOR THE YEAR ENDING 31st MARCH 2021

1. SCOPE OF RESPONSIBILITY

Great Chart with Singleton Parish Council (the Council) is responsible for ensuring that its business is conducted in accordance with the law and proper practices, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control, including the preparation of the accounting statements as required by Section 1 of the Annual Return – Annual Governance Statement and its 9 “assertions”.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council’s policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

The Council has in place a set of Standing Orders and Financial Regulations, which set out the general rules applicable at council and committee meetings and in carrying out the council’s business. These two documents are reviewed on a regular basis and influence the system of internal controls in place.

The system of internal control has been in place at the Council for the year ended 31 March 2018 and up to the date of approval of the annual governance statement and accounts and, except for the details of significant internal control issues at section 5, accords with proper practice.

3. THE INTERNAL CONTROL ENVIRONMENT

- reviews

The effectiveness of the internal audit system and audit plan is reviewed annually.

External Audit:

The Council's External Auditors, PKF Littlejohn LLP, submit an annual report and Certificate of Audit, which is presented to the Council.

4. REVIEW OF EFFECTIVENESS

The Council has responsibility for conducting an annual review of the effectiveness of the system of internal control. The review of the effectiveness of the system of internal control is informed by the work of:

- the full Council;
- the Clerk to the Council / Responsible Financial Officer who has responsibility for the development and maintenance of the internal control environment and managing risks;
- the appointed Councillor responsible for conducting internal audit checks;
- the Independent Internal Auditor who reviews the Council's system of internal control;

- the number of significant issues that are raised during the year.

5. SIGNIFICANT INTERNAL CONTROL ISSUES

No significant internal control issues were identified during the 2018-19 financial year.
