

Cllr Steve Herring

My name is Steve Herring, I am one of the four councillors representing the Singleton West Ward on the Great Chart and Singleton parish Council.

I have lived in Ashford since 1994. I am married and I have a son, who attended Godinton Primary and then Homewood. My wife Nicki was formally a midwife in Ashford both at WHH and community of Ashford. She now is a published author.

I currently work as a Manager within the NHS supporting a team of Reporting Radiographers. I have during the time as a radiographer; have represented my profession as President in 2016, leading my profession which was a great honour. I have spoken on issues representing our members at National Conferences including TUC.

As I start to progress towards retirement, I feel it is a good time to serve my local community on the parish council.
