

## **Cllr Janet Sullivan**

### **Personal profile**

I originally came from Yorkshire and moved around England with my parents due to my father working for the local councils.

I trained as a nurse in London and moved to Ashford when I got married in 1986. I have lived in the Singleton area since 1990. My children went to Great Chart Primary school and since they have left school, they liked the Singleton area of Ashford so much they decided to buy a house here.

I have been involved in the local community when I became a Scout Leader for Great Chart Scouts. I lead the group for 17 years which I thoroughly enjoyed. I have been an active member of St Marys Church in Singleton.

Currently I work for the Kent Community Health Foundation trust as an Associate Nurse and I am a governor at the John Wesley School.

When my children were young, we walked around and enjoyed all the parks in Singleton and I would like the area where I live to be enjoyed by everyone. I also want to be part of the creative group to make our area the best place to live.
