

Where to find our Big Jubilee Lunch

On Foot: There are pedestrian entrances that can be accessed from Chart Road or Singleton Road, these are marked with the green stars. Singleton Road can be accessed from Singleton via the underpass marked with the red star. We encourage people to walk or cycle where possible as we have limited parking

By Car: If travelling from Matalan use Chart Road into Great Chart, the car park entrance will be on your left as you approach the Slow sign on the road. Please be aware that we have limited parking so you may be directed to park elsewhere once the car park is full
