Health and Safety Checklist: Litter Picking

Great Chart with Singleton Parish Council is committed to the safety of its staff and residents. This includes all those who may be volunteering on Council managed land and other areas in the parish, carrying out a variety of tasks.

Your health and safety is important to us and this is why we have compiled this checklist to help you continue to enjoy your work to help keep Great Chart and Singleton litter free.

Do		Do Not	
Before	Always let a member of your family know where you are going and when you are expected home	Handle any needles or sharp objects	Litter pick on busy roads
	Carry a mobile phone in case of emergencies (if you have one).		
During	Always use gloves and litter pickers when collecting litter	Litter Pick in or near any watercourses	Lift anything that is too heavy
	Try to wear reflective or light coloured clothing.		
	Wear strong boots or shoes. Be mindful of other people		
After	Always wash your hands after litter picking.	Litter Pick when it is dark or unsafe	Approach any unknown people
	Inform the Council of any problems or issues that you may have noticed.		

If any of your equipment needs replacing, please contact the Council and we will be happy to help.
