**for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.*

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2025/26

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments **must** be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2026
- The Annual Governance Statement (Section 1) **must** be approved before the Accounting Statements (Section 2) and evidenced by the agenda or minute references, even where approved on the same day.

- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor **must** be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- Additional costs may be incurred if additional audit work is required.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2025) equals the balance brought forward in the current year (Box 1 of 2026).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights which **must** be a single period of 30 working days for inspection (this excludes weekends and public holidays) which **must** include the first 10 working days of July.

Section 3 – External Auditor’s Report and Certificate 2025/26

In respect of

Great Chart with Singleton Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2026 and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2025/26

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

See separate report.

Other matters not affecting our opinion which we draw to the attention of the authority:

See separate report.

3 External auditor certificate 2025/26

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2026

External Auditor Continuation Report
2025/2026

Introduction

This page is part of Section 3 – External Audit Report 2025/2026

The following matters have been raised to draw items to the attention of Great Chart with Singleton Parish Council. These matters came to the attention of Forvis Mazars LLP during the review of the Annual Governance and Accountability Report (AGAR) for the year ended 31 March 2026. This report must be presented alongside the AGAR to a full meeting of the smaller authority for review.

The review of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

Except for the matters reported below on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

The Council has not corrected the following error(s) at Section 2 of the Annual Governance and Accountability Return (AGAR) so the AGAR has not been prepared in accordance with proper practices:

- The figure in box 7 does not match the PY AGAR and should state £663,059.
- The figure that is recorded in box 7 of the 2025/26 figures states £658,059 and therefore does not match the balance carried forward from the previous year.

We would recommend the Council reviews the 2024/25 and 2025/26 figures to ensure they have been accurately stated and to ensure these are correctly restated as required ahead of submission of the 2026/27 AGAR.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

In undertaking the review of the 2025/26 Annual Governance and Accountability Return (AGAR) it came to our attention that in 2026 the Council has not met the requirements of the 2015 Accounts and Audit Regulations to provide electors with a period of 30 working days including the first 10 working days of July, to inspect the accounts. The Council should ensure that in 2026/27 they comply with the Regulations and respond "No" to the relevant assertion in its Annual Governance Statement as the assertion is retrospective and refers to compliance during the relevant financial year rather than in respect of it.

Assertion 9 of Section 1 of the Annual Governance and Accountability Return (AGAR) has been incorrectly completed. The Council has recorded "No" where "N/A" would have been appropriate. The Council is reminded of the importance of accurate completion of all assertions to ensure clarity and compliance with proper practices.

Within the Council's explanation for earmarked reserves, there is £115,000 allocated to contingency reserves. Per the Practitioner's Guide 2025, point 5.33, "the general reserve of an authority comprises its cash flow and contingency funds to cover unexpected inflation, unforeseen events and unusual circumstances". Based on this explanation within the Practitioner's Guide, we do not consider the contingency funds to be separate from

general reserves and recommend the Council reassess their own reserves levels, earmarking funds for specific purposes as far as possible.

No other matters came to our attention.
