REPORT TO GREAT CHART with SINGLETON PARISH COUNCI JUNE2026

At council I will give a verbal update on recent events, which will include

1. Theft of mowers from churches and actions taken.
2. Water shortage problems in the area
3. Crime updates generally
4. I will cover one national problem under Violence Against Woman & Girls
5. Update on off road bikes and catapults.
6. I will update council on my work in Chilmington

I must also alert Council to a consultation underway by the fire service who are looking at future operational functions.
This especially looks at the ability of on call fire stations like Charing, Chilham, Lenham, Aldington and Lenham to function all vital in supporting Ashford. One front line appliance at Ashford is also on call.
ON CALL FIREFIGHTERS are those who live/work nearby to a station and are called in and turned out when required.

I anticipate it will also discuss water for fire fighting provision.
Council and Councillors need not worry I will produce a briefing sheet on the matter. I anticipate a late summer consultation.

We must remember the fire authority is made up of many councillors who have only been in post a short time.

I have made favourable contact with the new CH Insp. Jenny Bassan.
