# WELCOME!

Cllr Malcolm Wiffen  
Chair of Great Chart with  
Singleton Parish Council

Welcome to the June edition of our re-vamped newsletter.

Following our Annual Parish Meeting in May I am pleased, and honoured, to say I remain as Chairman for the next 12 months. At the Annual Electors Meeting, we presented local resident Hannah Morris with a KALC Community Award for all the voluntary work she has done over recent years, and wish her well in her move to Norfolk.

Also in May, the parish held a lantern making event, in advance of the VE Day celebrations on 8<sup>th</sup> May. These were placed on the Great Chart War Memorial for the evening, and I was honoured to read the tribute to those that sacrificed so much during the war. The community gathered to celebrate this commemoration of the end of the WWII, the defeat of the Axis forces in Europe. I'd like to thank our staff for organising the lantern making, Reverend Cathie Aldiss for her prayers, and a special mention to Ian Wolverson for all his work organising the event.

Now we are a couple of issues in, I hope you approve of the changes we've made to the newsletter. As always, we welcome your feedback about this, and any other issues that happen in our parish. Get involved! Volunteer to help with

litter-picking or join the team that looks after the Community Fridge. And that just leaves me to wish everyone a great summer!

## NEW LOOK NEWSLETTER

As you may have noticed by now, **our newsletter is moving over to it's new bi-monthly arrangement**. This means the news it contains is **more up to date**, and as it is smaller, the **production time is shorter**.

We are still gathering responses from those who wish to **continue receiving a hard copy** through their letterbox, and those who would prefer to be **notified via email** or social media. If you haven't filled out the survey yet, please do so on: <https://forms.office.com/e/AF158eBSW4>  
All remaining **2025 editions will be posted** to all residents as hard copies, these changes will only affect 2026 editions onwards.

## FUTURE OF LOCAL GOVERNMENT

A hot topic in the world of local government at the moment is the **Local Government Reorganisation** programme. Kent and Medway are not part of the **Devolution White Paper** priority programme, but the changes taking place under it will come to Kent in the next few years. Please visit Ashford Borough Council's website for more information on interim proposals and timelines.  
[www.ashford.gov.uk/your-council/devolution-and-local-government-reorganisation](http://www.ashford.gov.uk/your-council/devolution-and-local-government-reorganisation)

## CHILMINGTON SCHOOLS ACCESS

The Parish Council **continue to push for better access** to both the primary and secondary schools on the **Chilmington development**. This is an issue the Parish Council have been **highlighting for over 4 years**, but as the opening date for the new site grows nearer, with little evidence of the proposed solutions appearing, it is **becoming more urgent**. We have created a page on our website **to provide any updates** we obtain and we encourage you to have a read.

[www.greatchartsingleton-pc.gov.uk/Chilmington\\_49642.aspx](http://www.greatchartsingleton-pc.gov.uk/Chilmington_49642.aspx)

## SECOND SID

The parish council have **invested in a second Speed Indicator Device (SID)**. Along with the increased ability to monitor speeds across the parish, comes **an extra location**. We can now **monitor the number and speed of vehicles travelling up and down Bucksford Lane**. For more information on SID, take a look at the dedicated pages on our website [www.greatchartsingleton-pc.gov.uk/Speed\\_Indicator\\_Device\\_30649.aspx](http://www.greatchartsingleton-pc.gov.uk/Speed_Indicator_Device_30649.aspx)

## NEW KENT COUNTY COUNCILLORS

Following the **1<sup>st</sup> May local elections**, Great Chart with Singleton now has **two new Kent County Councillors**. **Cllr Jeremy Eustace** (left) will be covering the area of Ashford Rural West, **Cllr Nick Wibberley** (right) will be covering the area of Ashford South. If you aren't sure which area you belong to, you can find out at <https://democracy.kent.gov.uk/mgFindMember.aspx>

## NEW PARISH STEWARD

In March, **we welcomed Stuart** as the new full time parish steward, following the departure of the previous steward.

He **lives locally** and has worked in the area previously, he is **also involved in the running of Singleton Village Hall** so some of you may already recognise him.

He has **already made himself useful** by painting park benches, fixing slides, tidying up flowerbeds and transporting all the lanterns for the VE Day event.

# Recent Events

## EASTER TRAIL

Our **Easter Trail** took place over the school Easter holidays and gave residents the chance to **get out and about across the parish**, including the more accessible parts of the Chilmington development. Completed answer sheets could be given in at our **Easter craft event** over the Easter Weekend and lucky Ebony won the **£25 Amazon voucher**.

## VE DAY 80

Only a couple of weeks later, we were **busy making lanterns** ahead of our **VE Day 80<sup>th</sup> Anniversary** event. A craft event, with free BBQ, took place on the bank holiday weekend to make **Lamp Lights of Peace**, ahead of a parade down The Street, to **lay the lanterns on the Great Chart War Memorial**, where our Chairman and Revd Cathie Aldiss gave **tributes and prayers** to those lost in **WWII**.

# Upcoming Council Events

## COLOUR RUN 2025

The **Colour Run** is fast approaching. Get ready to **run, jog, walk or skip your way around** our fun-filled course, packed with obstacles, water sprays, bubbles and **LOTS** of colour!

Start in white and **finish covered head-to-toe in rainbow colours!**

Be prepared to get messy and have an absolute blast!

**Last few spaces available:**

<https://ColourRun2025.eventbrite.co.uk>

## BIG LUNCH 2025

And as soon as we've washed off all the colour from the run, we will be focussing on **our biggest annual event**, the **Big Lunch!** Held as usual on the **Great Chart Playing Fields**, it will include all the favourites - including the **FREE bouncy castles**, performances from local artists, face painting, food, drink and **music from our DJ** for the day. There will be **activities to take part in**, local organisations to speak with and stalls to peruse. As always, you are more than **welcome to come along with your own food, drink and a picnic blanket** and make the most of all the activities and beautiful surroundings of the fields.

We will be regularly updating our social media between now and the event, so to join the Facebook event go to [www.facebook.com/events/2252847755108905](https://www.facebook.com/events/2252847755108905)

## NEPALESE FOOD AND DRINK FESTIVAL

Great Chart with Singleton Parish Council are aware that the **Great Chart Playing Fields Association** plan to be the venue for an **outdoor Nepalese Food and Drink Festival on 21st June 2025**. This event is not connected with the Parish Council but they have asked that we **notify residents of the event** as it will generate noise levels similar or above those of the **Annual Gurkha Peace Walk which will also be held in June**. Residents who will be the most affected will be contacted directly. These events will **raise much needed funds** for the Association who are looking to make **more improvements** to the venue in 2025. More details can be found on their Facebook page at [www.facebook.com/greatchartplayingfields](https://www.facebook.com/greatchartplayingfields)

## KENT FIRE AND RESCUE

### Make the Right Call

This summer, Kent Fire and Rescue Service (KFRS) is urging the public to help save lives and valuable time, by making the right call if they see someone struggling in water.

- For inland water - such as in rivers, lakes or other bodies of water - people should call 999 and ask for the "Fire Service".
- For rescues at sea - on the coast or seaside - call 999 and ask for the "Coastguard".

KFRS Station Manager and water safety expert, James Kitchen, said:

"Every second counts in a water emergency. When someone's in trouble, knowing which emergency service to ask for when you call 999 can be lifesaving. Be as specific as you can—share your exact location, describe what the person is wearing, and keep your eyes on them until help arrives. For inland water emergencies in Kent or Medway, ask for the fire service. If the emergency is at the coast, ask for the Coastguard. Remember, make the right call and you could save a life."

This important message is the driving force behind KFRS' campaign, Make the Right Call, which aims to educate the public and ultimately reduce the number of drownings in the county. From January 2022 to December 2024, KFRS worked on 37 water rescues in Kent, with 29 of these rescues taking place in rivers and canals.

In this same period, Medway was the district with the most water rescues - 16 - followed by Maidstone with seven.

The age group most often requiring water rescue in Kent are 20-29 year-olds.

Runners and walkers, who don't plan to enter the water, are among those at greatest risk, which is why KFRS is also sharing vital survival guidance.

If you end up in the water and cannot swim to safety, you should:

1. Stay calm,
2. Float on your back,
3. Shout for help.

Water rescue hotspots in the country include locations in Maidstone, Medway, and Tonbridge and Malling. KFRS has fitted water safety signs with instructions of who to call at Kent water rescue hotspots.

KFRS is also working with community groups to raise awareness, including rowing clubs, parkrun, and other running events - because recreational river users and waterside runners and walkers are most likely to see someone in the water.

## NEIGHBOURHOOD WATCH

I will update readers on all the crime trends of concern and the actions I am taking.

As always, the constant battle with SCAMS is with us 365 days a year 24hrs each day. My skills are to try and be ahead of the game and get alerts into the community mainly please do not do anything in a rush and if in doubt DO NOTHING.

The target group is us all but sometimes changes slightly,

for example. OASIS REFORMING FOR 6 NEW CONCERTS is a fantastic "business opportunity" for criminals for bogus tickets, hotel packages and back stage passes. These scams are targeting not the 80- and 90-year-olds but a much younger target age group.

I have met with both the MPs that cover the area on Friday 9th May. Both meetings with the MPs and their teams were very productive and a clear commitment to work together with regular meetings. Every crime trend that you as a council and I work on was discussed with them and how their position can help. Future meetings are planned on a regular basis.

Knowing, when I am out there in the community, that I have your backing, and support cannot be overstated, and I record my most sincere thanks but please never ever think I take that for granted.

# Singleton

## Environment Centre

2025 has got off to a great start with several fun and engaging events for children and adults at Singleton Environment Centre. The Parish Council continues its long term support of the educational events allowing the Environment Centre to offer a range of activities at good value for money. The Education Team at Singleton Environment Centre is very grateful to the Parish Council for the support they offer. It is so important to us to welcome as many families as possible from the local community and to help them have a fun and engaging time.

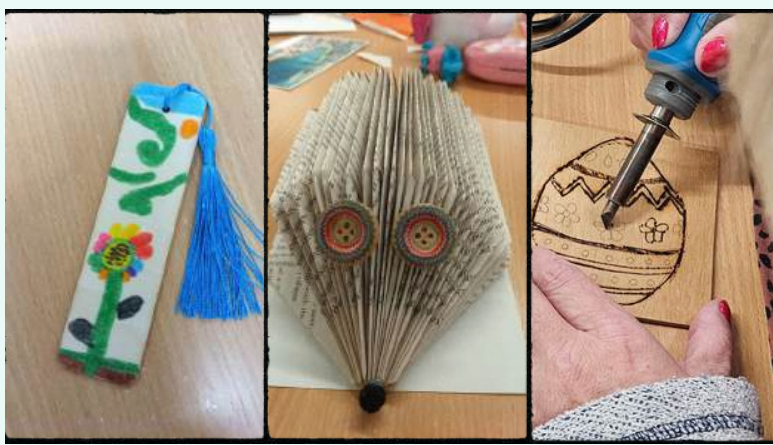

During the February half term another popular Nature Stories event was held. This time, the children explored the story 'Aliens Love Underpants'. The children made alien spaceships from recycled materials, created alien masks to wear and designed clay alien models. There was also the chance to take part in pant themed games, including 'Stuff your Pants', 'Fling your Pants' and a '3-legged race' using pants! The children also searched the centre grounds for the missing pants before the aliens could steal them.

The Nature Stories events will continue this year so watch out for upcoming events. They are suitable for children aged 2.5 years plus and a great way for siblings to explore favourite stories together in a truly immersive event.

Also during the February half term, we ran a Book Art event. During this event we discovered another way to reuse old pre-loved books by turning them into pieces of art! Everyone showed lots of patience to fold the pages of their book to create a book hedgehog. They all turned out incredibly well and everyone took home a wonderful hedgehog. We also decorated wooden bookmarks to use in our current reads.

We held a Prosecco with Pyrography event in February with the adult participants learning how to wood burn to create Easter and Spring themed wooden art. Everyone did really well learning how to use the pyrography pens.

The pre-school nature group, Buggin' About, continues to run every Friday in term time. Each week the children explore a different theme through nature craft, related activities, exploration and free play. We also have a mud kitchen and water play available each week. So far this year the Buggin' About-ers have learnt about local wildlife and plants as well as had fun with topics such as World Book Day and Mother's Day. They have also planted their allotment and are looking forward to seeing what edible plants successfully grow.

Food Friends is a local charity bringing the community together through food and friendship

We run a meal sharing initiative that connects volunteers - who are looking to share extra portions of home cooked food - with a neighbour - who would benefit from a nutritious meal delivered with company and conversation

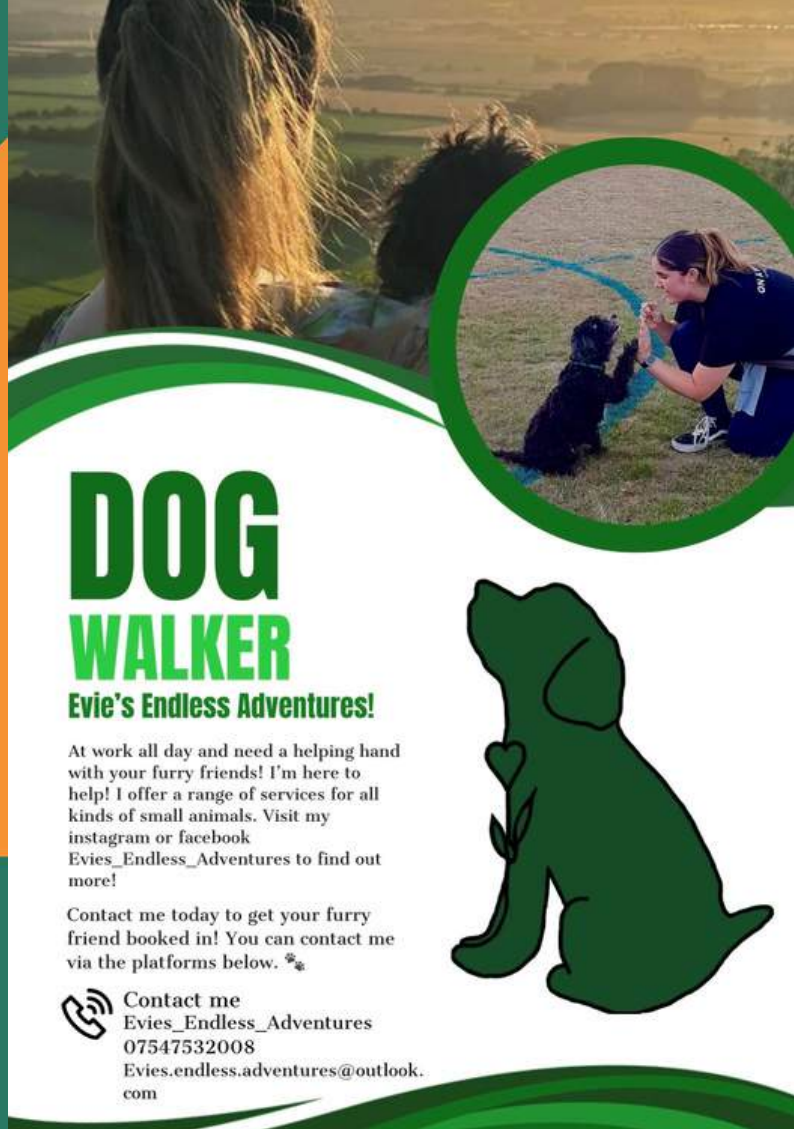

**Our meal sharing is free of charge**  
**Our volunteers are DBS and reference checked**

## WE ARE LOOKING FOR COMMUNITY HEROES

Great Chart with Singleton Parish Council runs a **Community Heroes scheme** to support residents who want to do more to keep their local environment clean and pleasant for all to enjoy. Residents will be **provided with all the equipment and information they need** to carry out litter picks, at their leisure, in their chosen areas. ## CONTACT INFORMATION

We are your local Parish Council and we cover the areas of Great Chart, Singleton and the growing Chilmington Development. We hold monthly Council meetings which are open to the public, and regularly hold community events so you can speak to us in person. However, there are also many other ways to contact us.
