

Great Chart with Singleton Parish Council

Ambition Plan 2019 – 2023

Introduction

Welcome to Great Chart with Singleton Parish Council's Ambition Plan for 2019 to 2023. This document sets out how, over the next four years, the Parish Council will continue to work for the benefit of the parish on issues that have been identified. The ambitions within the plan, shown as Appendix A, detail what is requested to address community needs. Delivering the actions will mean improvements to the quality of life for residents.

Aims

The aim of the Ambition Plan is to give residents a clear understanding of what the Parish Council is trying to achieve and how it intends to deliver this. It details the Parish Council's values, objectives and key priorities for the next four years.

Monitoring

This is a working document and evaluation of progress against the list of activities, which make up the Ambition Plan, will take place on a quarterly basis.

Review

The Ambition Plan will be reviewed annually, as part of the budget process, and be updated every four years to ensure that it continues to be relevant to residents and that the actions within it are reasonable, feasible and achievable.

Consultation

Whilst consultation has previously taken place through the Community Led Plan process, this was not fully concluded. To ensure the Ambition Plan truly represents the current wishes of parish of Great Chart with Singleton, the residents will be invited to comment on the draft Ambition Plan document.

Wish List

Parish Councillors were invited to consider 'if money were no object' to enable creative thinking, with no preconceptions or limits. Their responses can be seen as Appendix B.

An Overview

Great Chart with Singleton Parish Council is a statutory body and is the first tier of local government. It works towards improving community well being and providing better services at a local level. Our activities fall into three main categories: representing the local community; delivering services to meet local needs; striving to improve quality of life and community well being.

Through an extensive range of discretionary powers Great Chart with Singleton Parish Council can provide and maintain a variety of important and visible local services including allotments, commons and open spaces, community transport schemes, community safety and crime reduction measures, events and festivals, footpaths, leisure and sports facilities, litter bins, planning, street cleaning, traffic calming measures, and youth projects. These existing powers were recently strengthened by powers contained in the Localism Act including the extension of the General Power of Competence to eligible local councils.

Staff

The Parish Council employs a full time Parish Clerk/Responsible Financial Officer and a part time Assistant Clerk. There is also a part time Parish Caretaker and Assistant Caretaker. The administration of the Parish Council is carried out by a qualified Parish Clerk who is appointed by the Parish Council. The Parish Clerk carries out the functions required as the Parish Council's Proper Officer and issues all statutory notifications.

Finance

The Parish Council is funded through a precept, which is a local tax levied by the Parish Council and collected on its behalf by Ashford Borough Council as part of the Council Tax bill. On average, £73.11 per year (Band D property) of residents' council tax (ie £1.41 per week) contributes to the Parish Council Precept (2019-20).

Financial Objectives

Great Chart with Singleton Parish Council aims to be professional, competent, open and transparent in all it does and to ensure the sound financial management of the parish council's resources.

Areas of Responsibility
