### 1. Introduction to Policy

A grant is any payment made by the Council to be used by an organisation for a specific purpose that will benefit the Parish, or residents of the Parish, and which is not directly controlled or administered by the Council. The Council awards grants at its discretion, to Parish organisations which can demonstrate a clear need for financial support to benefit the Parish by:

The Parish Council will not award grants to:

- a) Private individuals
- b) Commercial organisation
- c) Purposes for which there is a statutory duty upon other local or central government departments to fund or provide
- d) Political parties
- e) Religious organisations, unless for the purpose which does not discriminate on grounds of belief

### 2. Grant Application process

- a) Applicants will be required to complete an application form, available from the Parish Council office or the website. All questions on the application form should be fully answered and additional appropriate information, which supports an application, should be provided.

- full details of the project or activity clearly identifying outcomes,
- demonstrate that the grant will be of benefit to the local community within the Parish (beneficiaries should be clearly enumerated), -demonstration of a clear need for the funding and how outcomes will be sustained beyond the funding

that any unspent portion of the grant must be returned to the Council by the end of the Financial year in which it was awarded.

- k) The Council may make the award of any grant or subsidy as it considers appropriate in the event of any unforeseen urgent event.
- l) Nothing contained herein shall prevent the Council from exercising, at any time, its existing duty or power in respect of providing financial assistance or grants to local or national organisations under the provision of the Local Government Act 1972, Section 137.
- m) If an application for a grant is successful the organisation or group should provide a report at the Annual Parish Council Meeting (in May) to show how the money was spent. At other times, further information, including photographs, should be made available to the Clerk for sharing via the Newsletter and website. Organisations should refer to the Council grant when reporting through their own routine publicity channels and provide copies to the Clerk.

#### 4. Evaluation

In addition to demonstrating a clear need for financial support, applicants should indicate how they would measure the effectiveness of the funding made available. This should specify outcomes, or consequences, and incorporate multipliers to demonstrate value for money. It is desirable that benefits extend beyond the period of funding.

The Parish Council will make continuous assessment of the impacts and outcomes of grants awarded and report overall each year.
