### Planning applications for Consideration

#### 3.1. PA/2025/1200

##### **13, Red Tree Orchard, Singleton, TN23 5PZ**

Proposed two storey rear and side extension with pitched roof and roof lights to include ramped side and rear access.

It was noted that the back corner of the development will come right to the edge of the property boundary and will therefore negatively impact the street scene of Knoll Lane, makes the garden too small for the size of the property and is overdevelopment of the existing plot.

Planners would need to see plans from a disability contractor before approving the application. There are no hygiene facilities for the disabled person or the live in carer in the proposed new areas.

The committee supported the comments submitted by the neighbouring properties. The committee resolved to object to the application for the reasons stated above, and request that the extension must remain as part of the original dwelling in the future.

|                                |                                |                       |

### 3.2. OTH/2025/1359

#### **Land at Chilmington Green, Ashford Road, Great Chart**

Non-material amendment to 21/00839/AS for Active Travel Route to provide pedestrian access between Chilmington Avenue and the Secondary School Site entrance. The Active Travel Route comprises of a footpath and verge within land adjacent to Chilmington Green Road at Chilmington Green, Great Chart, Ashford, Kent; to allow for changes to the wording of condition 5 regarding existing hedges and hedgerows.

The committee still holds concerns about the contents of the plans referred to in this application, but there is no objection to the principal of this application.
