   - **4.1. PA/2026/1449**
     10, Barnberry Close, Singleton, TN23 5PW
     Garage conversion into habitable room with single-storey rear extension.

     The planning application does not contain enough evidence of sufficient off-street parking to justify the loss of the garage under TRA3a. The committee also noted that the cul de sac is relatively narrow, and displacement of vehicles onto the road will impact on street parking and therefore negatively affect access for refuse and emergency vehicles, which goes against Chapter 9 of the NPPF. The committee requested that this information is included in the application so that the impact can be assessed. The committee resolved to object to this application.

4.4. OTH/2026/1310

Singleton Village Hall, Hoxton Close, Singleton, TN23 5LB

T1 - oak tree - crown lift by maximum 5 meters over footpath and neighbouring properties.

The committee resolved not to comment due to the Parish Council being the applicant. The planning application was noted.

Proposed: Cllr P Barker	**Seconded:** Cllr Y Barker	**Vote for:** 4
Against: 0	**Abstain:** 0	**Motion carried**

4.5. PA/2026/1734

12, Millfield, Singleton, TN23 4GW

First-floor extension over the garage together with a one-and-a-half-storey rear extension and infill extension.

The planning application already has a number of objections from nearby residents. The height and mass of this extension would make this property very overbearing for nearby residents (SP1, SP6, HOU5). It would cause privacy issues for neighbouring properties, especially where new windows will look directly into neighbouring bedrooms. There will also be a reduction in light for neighbouring properties.
The proposed development is not sympathetic to the local character of the area as per paragraph 135 of the NPPF.
The committee resolved to object to this application.

Proposed: Cllr Sullivan	**Seconded:** Cllr Mercer	**Vote for:** 4
Against: 0	**Abstain:** 0	**Motion carried**
